

UNITED STATES DISTRICT COURT FOR THE  
DISTRICT OF NEW HAMPSHIRE

United States of America

v.

Criminal No. 06-cr-035-01-SM

Brandon Legere

**O R D E R**

Defendant's motion for bail is denied. His mother's deteriorating economic position is not a basis for bail. He was selling and using large quantities of crack before his arrest - not supporting his mother. The unpaid bills were each in part unpaid when defendant lived with his mother. He is facing a long prison term, has an extensive criminal record and is an addict. He remains a danger to the community.

**SO ORDERED.**
